

Consent form

Dear _____

To ensure the effectiveness of our therapeutic work, I will be recording our sessions. The recordings will be securely uploaded to *Therapartners* for the generation of session transcript¹ and subsequent analysis,

1. Recordings of our sessions will be stored solely with your explicit consent. You retain the right to withdraw this consent at any time, and I will promptly delete any related recordings in accordance with the regulations.
2. All recordings will be stored in an encrypted format and handled in strict accordance with data security regulations.
3. The recorded content will not be used for teaching, discussions, or any other purposes outside the agreed-upon use, nor will it be accessed, disclosed, used, modified, or destroyed by any unauthorized parties.

By signing this consent form, you agree to the recording of the entire session and the use of these recordings for supervisory and analytical purposes on *Therapartners*.

Please sign below to confirm that you have read and agree to the above content:

Signature: _____ Date: _____

Therapartners is an AI-powered supervision tool aimed at assisting therapists in managing counseling cases, optimizing counseling processes, and enhancing professional competency. This consent form ensures that your personal information is fully protected and properly handled while using *Therapartners*.

¹ The recordings uploaded to *Therapartners* will be used for the generation of session transcripts. Once the transcription is complete, the original audio files will be permanently deleted, and only the transcripts will be retained on the platform.
